### **Commercial Account Application**

This information is for new business customers interested in becoming a *MannMade USA* dealer or for manufacturers, luthiers, repair and retail who want to re-sell or use our products on their instruments. Pricing is based on quantities purchased. An Annual Purchase Order of Intent may be required for quantity discounts of 50 or more units. You can “mix and match” units to achieve greater discount level.

To qualify for a *MannMade USA* commercial account, you must be actively engaged in the sale, repair or manufacture of guitar, bass, or other related musical instrument equipment as your primary business. You must be able to furnish a current business license and a tax id resale number or certificate. Please scan / photocopy your business license or equivalent state issued document and email, fax or mail it to us.

There is a first time minimum order of \$150 (at retail price).

Pricing discounts (based off of retail MAP \$) are as follows:

1 - 49 units = 25% discount  
50 – 99 units = 33% discount  
+100 units = 50% discount

Please print and complete the attached application. Once you have completed your application, please go to our web store and set up an account. ( <https://store.guitarvaultusa.com/login.asp>)

Once your commercial account has been approved, you can purchase *MannMade USA* products, as well as other select items at your discount level, online 24/7. Your commercial account will not be enabled until you receive email notification from us. However, you may still purchase at retail pricing until your commercial account is approved.

If you have any questions, please contact John Mann.
